

CHM 302 Industrial work experience (3 Credits)

Site Supervisors's assessment

Pre-requisites: Students must have passed all required courses up to the end of 5th semester and carry over load must be below 15 units.

The minimum duration of industrial attachment is six months. All students enrolled in this course would be required to submit a report and give presentation at the end of their period of attachment. The grading will normally be based on the reports, seminars and assessment of the University and industry base supervisors as follows
